**Our Catholic Family of Cheektowaga's *Our Lady Queen of Peace Center of Life (Cont'd)***

*Our Lady Queen of Peace Center of Life* with other centers across the Diocese, including our sister center at Our Lady of Fatima Shrine, will implement Spirituality and Healing programming of Renewing of Parish Life by implementing offerings through our ministries, agency affiliates, schools, religious education groups, and organizations. We will provide a safe, sacred space of spiritual growth, worship, healing, respite, and/or retreat for those who are vulnerable and in need stemming from their suffering in physical, mental health and spiritual ills, feeling disenfranchised, experience of dryness in relation to God and one another, bereavement, being harmed, injured and/or being perceived as an outcast.

As you are aware, we have just completed the first series in the journey of healing this past week which included presentations on being open to the way toward wholeness of health and life and coping with adversity and suffering. A Healing Mass and Service was at the center of our journey as the **Eucharist is not only the source and summit of our faith but offers such healing power of transformation in our lives.**

As we approach Lent we are asking all those interested to come to a HOLY HOUR offered each day of the week, Monday through Friday, at one of our family worship sites of Our Lady Help of Christians, Queen of Martyrs, Resurrection and St. Josaphat (beginning February 23<sup>rd</sup>) depending on the schedule of the parish family. The Holy Hour will include **Morning or Evening (Vespers) Liturgy of the Hours prayer, Holy Mass, and conclude with the Rosary.**

*Stay tuned for specific Holy Hour offerings at each parish site.*

*Our Center* has now established a Spiritual Life and Wellness Team composed of several representatives across our parish family and in the process of recruiting individuals to develop a Mental Health Team. Both of these teams are being set up to help meet the varying needs for outreach flowing from our parish-based ministries, agencies and organizations to individuals, couples, and families. This outreach will attend to the cultural, age-related, physically disabling, and spiritually diverse needs of those seeking support. In addition, at this moment, the Center is in the process of setting up a Wellness Library that all of our parishioners and surrounding parish families will have access.
