Your Spirituality and Healing Ministries From Our Lady Queen of Peace Center of Life . . .

October was designated as Mental Health month. Our Catholic Faith tradition believes that Our Lord is our help in mind body and soul. Even though there is great need, the literature shows that there is a critical lack of spiritual and mental health support in our various parishes to help provide aid to the suffering in these areas. Our Lady Queen of Peace Center of Life has established a Spiritual Life and Wellness Team within our family of parishes and ***is now developing a Mental Health Team****. This Team will provide referrals to those individuals, couples, and families seeking help through parish-based ministries, agencies and organizations. The Team will guide those in need toward mental health to appropriate support offering cultural, age-related, physically disabling, and spiritually diverse services.*

Stay tuned as this Team is being assembled for the Catholic Family of Cheektowaga. *In the meanwhile, listen to the words of Our Holy Father and join him in praying for our mental health and our Church and ministries that provide support so we can all be at peace in mind, body and soul.*
