

Dear Parishioners of The Catholic Family of Cheektowaga,

As we move into Lent, may we turn our focus on the Lord and His Church. As we are in the process of coming together as a Family of Parishes, you will see some changes in the schedule of various services (i.e. Stations of the cross, Holy Triduum [Holy Thursday, Good Friday, Easter Vigil], Blessing of Easter Baskets, etc.). These changes are meant to bring us together as a family by utilizing the timing of the season and having most of Lent in daylight savings me. This gives us the opportunity to have many of the services in the evening during light hours when hopefully all can participate, bringing us together as one community of faith. Thank you for your understanding and cooperation. If you have any questions, please contact me.

Blessings,

Fr. Todd
