### St. Josaphat's Building Restoration Campaign

After years of weathering, and wear and tear, St. Josaphat's Church is now in great need of a major capital project to restore all of its exterior brick. These significant structural repairs are vital towards our parish continuing its mission in serving the needs of our parishioners and remaining preserved for future generations. Furthermore, delay in completing this project will only additionally compromise the structure of the church building, already experiencing difficulties from water damage due to the weathering and erosion of the church masonry. If we as a parish do not act on these issues now, there will be no church building left to worship in.

After numerous inquiries and estimates and *with the approval of the Diocese of Buffalo*, the company chosen to spearhead the project of restoring the masonry here at St. Josaphat's Church was Raymond E. Kelly Inc. The approximate cost to complete the project is \$190,000. Currently, the parish has approximately \$180,000 within its savings to cover a small portion of this project, but not all. We would like to use the money in our savings account to help us with other projects currently ongoing at the parish. In light of this, we are faced with the difficulty and unpleasantness of having to ask our parishioners to consider assisting us in this extensive endeavor. We only ask that everyone contribute what they are able to. For those unable to finance the project at all, we humbly ask for your prayers as we take on this task.

In the coming weeks, each parishioner will receive in the mail a detailed letter explaining the nature of the project, and asking them if they would personally consider contributing to this important project. If you so choose to donate to the cause, we ask that you indicate on the memo line of your checks the following: *'Church Capital Campaign'*. We ask for your patience and understanding as we embark on these projects together to help preserve our parish for future generations, and work to restore it to its original beauty. The mission of this parish is to get everyone to heaven and we need a sound church building to help us achieve that goal. Any assistance from you the parishioner is greatly appreciated and will be rewarded by our Lord himself.

For the next 3 weekends, we will host the missionary priests at all of our parishes. The missionaries will preach and pray with us on July 2nd and 3rd at OLHC, July 9th and 10th at Resurrection and July 16th and 17th at St. Josaphat. If you wish to donate to the mission appeal, use your Mission Cooperative Plan envelope and place in the weekly collection basket.

### Youth Ministry

As part of its outreach to the young people of our congregation, St. Josaphat's Church is proud to announce the introduction of "Youth for Christ"-a youth ministry geared for people ages 12 to 25. **Landscaping around the Church at OLHC**

We respectfully request that the Garden Club Members and all parishioners be patient and not worry about the landscaping around the Church at OLHC. Our project of fixing and the cleaning of the bricks resulted in some damage and some plants and flowers needed to be removed. Others were planted too close to the Church and also needed to be removed so further damage would not occur. We will renew the landscaping gradually. It will take us about a year for this process. No further contact with the Parish Office or with our Priests is necessary as we are fully aware of the many concerns that you have. We ask for your patience as we complete the task of beautifying our parish grounds.
