**Buildings and Grounds Updates for Our Lady Help of Christians, Resurrection, and St. Josaphat's Churches**

**OUR LADY HELP OF CHRISTIANS:**

During my two years as pastor here at Our Lady Help of Christians, I have been blessed by the astounding love and generosity of our parishioners. Such generosity has enabled us to bring about some transformations to the Our Lady Help of Christians Chapel, the Main Church Building, the School, our Parish Office, the Rectory, and our Cemetery grounds. With your help and cooperation, we have witnessed an increase in parishioner membership, restored financial health, and an increase in the prayerfulness and activities of the various groups here at Our Lady Help of Christians. I am confident in a strong and healthy future for Our Lady Help of Christians Parish.

A special THANK YOU is owed to Michael Hora for all he has done **for all three parishes**, and his help with completing all of our major buildings and grounds projects! Without him all of the improvements you see (**especially here at Our Lady Help of Christians**) would not be possible! Currently, we are working on creating a strong and vibrant Faith Formation Program and Youth Ministry for all three parishes. We will continue to work on making our parish more holy, strong, and secure for generations to come, and we ask for your patience, trust, and further cooperation as we continue to embark on some additional projects that will make our churches more beautiful. Some of these projects include but are not limited to:

- Restoring the Chapel roof (done last week) • Renovating the bathrooms in both the school and Chapel • Continued work to enhance our landscaping and parking lots • Creating a new entrance to the Rectory and the Parish Office • Provide a new outside altar for the Grotto • Address the many necessary repairs and renovations needed in the Grotto • Tend to the many small improvements necessary to make our daily lives easier and ensure well cared for parish grounds and buildings in the future (for example necessary repairs of floor and roof in Mausoleum)

**RESURRECTION CHURCH:**

Since the beginning of the year, and most especially within the past six months, Resurrection has seen the most improvements and renovations to its buildings and grounds. The projects completed include but are not limited to:

- The complete renovation of the Malinowski Center • New bells were installed on the church- *courtesy of a special donation made for the project* • A new floor was put into Resurrection Church • The tabernacle has been refurbished and put back into its original place- *in the center of the church* • Side doors have been renovated • New ramp was installed and sidewalks restored • New parking spaces were added around the church • Landscaping was improved • Air conditioning was newly installed in the Rectory and Parish Office • Our rectory was recently renovated to house our new live-in priest and parochial vicar-*Rev. Marcin Porada* • New tables and chairs have been ordered for the Malinkowski Center-*courtesy of a generous donor*

Our future projects in the coming winter and beyond include but are not limited to:

- Additional renovation of the interior of Resurrection Church by repainting the Sanctuary wall • Restoring all the pews • Restore and Renovate the exterior Masonry of Resurrection Church • Repair and renovate Resurrection Church windows

Thank you to all who donated to Resurrection Church and helped bring about the many improvements to all of our buildings! Your help ensures that our parish will be strong for years to come. A special thank you to Michael Hora, Phil Nowicki, and Patrick Stites who continually volunteer their time, talents, and faith in making our parish strong and vibrant.

**ST. JOSAPHAT'S CHURCH:**

Since the beginning of the year the following projects have been completed at St. Josaphat's Church:

- The heating system in both the church and parish center has been fully upgraded and repaired • All old boilers have been removed • All utilities have been shut off in the old school (Annex) building, convent, and rectory to prepare two buildings for demolition, Annex will stay and later we will decide about its future • Lights inside the church have been replaced with newer energy efficient bulbs • Stations of the Cross were partially renovated-*but renovations were paused due to recurring water damage* • Parish office was successfully relocated to the Parish Center which was recently renovated • 5 rooms and all the hallways in the Parish Center were renovated (*New offices for Youth Ministry and the Parish Secretary*) • Air conditioning was installed in the Parish offices

Projects to consider for the future:

- Renovate all bathrooms in the Parish Center during the winter time • Pending Diocesan approval, focus on removing the convent, rectory, and old school building • Prepare project for new parking lots (**once convent and rectory buildings are demolished**) • Proceed with the masonry restoration project -**dependent upon how much is raised**

If St. Josaphat's cannot raise the \$180,000 required to complete the Masonry Restoration Project for the church building, the Family of four Parishes will meet in October to discuss the future of St. Josaphat's Parish. Everything will now depend upon the people of St. Josaphat to trust us and to step up to the plate to help secure their parish for future generations. Let us focus on what we can do right now to make sure our church lasts for years to come. With the help of God and the people of St. Josaphat's, all things are possible.

*Brothers and Sisters, our most important task is getting everyone to heaven! Let us continue to live authentic Christian Lives, and by our example, prayers, words and deeds, bring others back to the one true Catholic Faith! Let us serve God first and place our trust in him to provide for all our needs. Please accept our never-ending gratitude to all who work at all three parishes with generous hearts and minds!*

~ Fr. Jozef and Fr. Marcin
