**Walking the Road to Renewal**

Why We Need Renewal?

The Diocese has embarked on this journey to optimize more fully parish and diocesan resources, and, importantly, increase the reach and impact of our varied ministries throughout Western New York.

Facing severe financial challenges and also trends that are common in dioceses across the country having to do with declining church attendance and school enrollment, we are looking at best practices elsewhere to determine how to preserve Catholic life and increase the impact of ministries across the region.

The financial challenges confronting the dioceses and many parishes – made worse by the Covid-19 threat – requires that we identify ways to make better use of resources, bring together capabilities and even ministries to serve and evangelize.

The Chapter 11 process will go on for an extended period of time. This effort is aimed at defining the best organization for diocesan ministries and parishes for a vibrant future, acknowledging financial challenges but not being limited by them in carrying out the work of Faith.

## Building and Grounds Update

I would like to share with you our plans and needs for our parish buildings and Cemetery.

**Chapel** - There was a leak at the entrance to the Chapel that was partially fixed. The front window of the Chapel has been repaired. The mortar on the front wall of the Chapel will be repaired soon.

The air conditioning system was fixed and has been serving us very well during summer season.

The green area in the front of the chapel was restored.

All parking lots will be repainted so that our parking spaces will be well visible.

**Church** - The damage on the roof of our church from improper drainage has been fixed.

In September, we started a project on the exterior walls and foundation of the Church. This project will cost \$106,000.

In October, we hope all interior damage on the walls of the Church will be repaired.

**School** - We are in the process of repairing the heating system. It is expected to be completed by the end of September.

We are waiting the decision of the Bishop to determine if renting the school is possible.

Two new metal doors will be installed in September at the side and front of the school. Two other metal doors are expected to be installed next Spring.

**Cemetery** - The newest area of the Cemetery was cleaned from soil and grass. New lines of foundations will be added for those who want to purchase graves.

We are in the process of trimming the green trees on the new sections of Cemetery. A few trees will be cut around the Church and Cemetery. A new sign for our Cemetery will be installed soon.

New garbage cans have been placed in our Cemetery. Please put all debris from your grave in it.

Our grotto stations of the cross and statues will be restored possibly during this summer.

**Rectory/Parish Office** - New intercom and camera have been installed to the door of the Parish Office.

The guest rooms in the Rectory have been remodeled. Two new air conditioning units have been installed.

Thank you to all of you for all your help gardening and cleaning in our churches and grounds. If you see any garbage brought to us by the wind or visitors, please clean it and place in our garbage cans.

We thank **Mike Hora and his team of workers** for their dedicated service in keeping our building and grounds beautiful.

We all enjoy our Shrine. This is our Holy Place and second Home. It belongs to God and is given to us as the Gate to Heaven. Thank you for donations, prayers, love and work. You have wonderful hearts and faith. God bless you.

**Fr. Józef**
